### **Speedway Productions Launches Redesigned Online Home!**

**Delmont, PA (August 12, 2011)** Don Gamble and Speedway Productions would like to announce the launch of their brand new, completely rebuilt website [www.speedwayproductions.biz](http://www.speedwayproductions.biz). The fresh new look, designed by JNJ Motorsports Media, gives the site a more modern feel to it without losing the authenticity of the classic articles and photos that have made the site as popular as it is.

Although there is a new feel to the official online home of Speedway Productions, everything that was available on the old site, is available on the redesigned site. Access to the 28 year old weekly radio show, *Rappin' on Racin'*® is now easier than ever with one simple click. The site will feature everything you need to know about Speedway Productions as well as all of the articles, history, photos, and links to the *Rappin' on Racin'*® show, video archives featured on UStream and the 'tunein' mobile phone application to listen to *Rappin' on Racin'*® on your mobile device.

'The amount of content on the site is amazing,' Jason Shank of JNJ Motorsports Media exclaimed, 'When Don asked us if we'd put something together for Speedway Productions, I thought it would be an easy project, but with all of the fabulous 'Remember When' articles and the hundreds of old time photos of racers like Lou Blaney, Lynn Geisler, Gus Linder, Joe Viglione, Blackie Watt, Bob Wearing Sr., just to name a few, it turned into one heck of a project. Anyone who enjoys going back in time will love everything this site had to offer.'
